

1st Arts-based Research Day

Monday | 14.03.2016

Academy of Fine Arts Vienna, Schillerplatz 3, 1010 Vienna,
Aula

At the Arts-based Research Day five arts-based research projects taking place at the Academy will be presented and discussed. Kerstin Mey from the University of Westminster and member of the Austria Science Board will give the keynote.

Aim of this event is to create visibility for arts-based research that is currently conducted at the Academy. Further the arts-based research day should allow for linking amongst the arts-based research project and also between all researchers, teachers and students of the academy.

Language: English (mostly) and German
